Why care?

- “Ripley’s Believe it or Not” factor
- Out of the rut
- Life beyond 3D hardware
- Hire these guys
- Do it yourself: e.g. Alambik

SIGGRAPH

- **It’s amazing, it’s computer graphics, it should be seen here.**
- **Where does it fit in to be displayed?**
 - Electronic/Animation Theater?
 - Art show?
 - Its own something?
